

## ILC Empowering Care Excellence: Embedding Fundamental Care in Practice, Education, Research & Policy.

**CODE:**

**TITLE:**

**TEAM LEAD:**

**REVIEWER INITIALS:**

**CONFERENCE THEME:** Empowering Care Excellence: Embedding Fundamental Care in Practice, Education, Research & Policy.

### Our Vision

The ILC Vision is to transform care globally by valuing and prioritising person-centred fundamental care.

### Our Mission

The ILC Mission is to embed person-centred fundamental care in practice globally, through education, research, advocacy, and policy.

We will achieve our Mission by valuing, talking, doing, owning and researching fundamental care.

### Rating Rubric

Each criteria will be rated on a scale adapted from Academy of American Nurses

**5=Exceptional, 4=Excellent, 3=Good, 2=Fair, 1=Not acceptable**

Criteria	Score	Comments
<b>Alignment with ILC conference theme and mission:</b> Project is aligned with conference theme and ILC mission	/5	
<b>Purpose:</b> The problem, purpose, research question and/or goals are clearly stated.	/5	

<b>Research projects:</b> The study design and methods (sample, procedures, measures and data analysis) are clearly described. <b>Practice or policy change:</b> Discussion of the fundamental care practice or policy change, implementation and/or improvement strategies and stakeholders are clearly described.	/5	
<b>Results:</b> The project findings or products associated with advancing fundamental care are clearly described.	/5
