

INTERNATIONAL  
LEARNING  
COLLABORATIVE

## Fundamentals of Care

## Leadership & Mentoring Program

GENOA, ITALY  
19 - 21 JUNE 2025

**Start your 12-month  
leadership and mentoring  
program with  
international experts in  
fundamental care.**

The FoC Leadership & Mentoring Program will empower you to challenge and change how fundamentals of care is valued, prioritised, and actioned within your organisation.

Please note: The program will be held in English. We will attempt to translate program materials to Italian where possible.

# Learning Outcomes

**1**

Participants will have an improved understanding of fundamental care and the Fundamentals of Care Framework.

Participants will have the tools and knowledge to advocate, and take action, for fundamental care.

**2**

**3**

Participants will gain confidence to speak out for fundamental care.

Participants will gain a better understanding of individual, organisational barriers & enablers to implementing change for fundamental care.

**4**

**5**

Participants will be better equipped to implement change for fundamental care in their workplace.

Participants will have a global perspective of strategies for implementing fundamental care.

**6**
