

Fundamentals of Care Leadership

Five propositions for radically transforming fundamental care delivery
based on the ILC Aalborg Statement 2019 <https://bmjopen.bmj.com/content/9/12/e033077>

SELF-ASSESSMENT

VALUE	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
<i>Thinking personally and professionally, Fundamental Care is foundational to all my caring activities.</i>					
<i>Thinking organisationally, Fundamental Care is foundational to all our systems and organisational approaches.</i>					
TALK	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
<i>Fundamental Care is explicitly articulated in all caring activities and systems.</i>					
DO	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
<i>Fundamental Care is explicitly actioned and evaluated in all caring activities and systems.</i>					
OWN	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
<i>Fundamental Care is owned by each individual who delivers care.</i>					
RESEARCH	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
<i>Fundamental Care underscores systematic, high-quality investigations to generate the evidence to inform care practices and shape systems.</i>
