

ILC 2026 Annual International Conference

Abstract Submission Guidelines

Terms & Conditions

ILC 2026 Annual International Conference
13 & 14 June 2026
Oxford UK

In order to submit an abstract for ILC 2026 Annual International Conference the abstract submitter/main author must agree to the following terms and conditions that will apply if the abstract is accepted for presentation.

1. The submitter/main author agrees that they and any co-presenters will register for the ILC 2026 Annual International Conference, present in person at the conference and pay the registration fee (Member or Non-Member as relevant) by Friday, 27 February 2026, noting that all registrants, including presenters, must also meet their own travel and accommodation costs.
2. If the submitter/main author's paper is selected, they agree that they or a co-author/co-presenter must be a registrant at the Conference for the abstract to appear in the program and online/virtually for Conference registrants.
3. The submitter/main author agrees to be the main contact for the event organisers in relation to the presentation and to distribute information to any co-presenters.
4. The submitter/main author provides permission for their abstract to be published and included in the ILC 2026 Annual International Conference program and in other promotions including ILC Newsletters and ILC website.
5. The submitter/main author provides permission for their provided biography and any co-presenters' biographies to be condensed at the discretion of the ILC Conference Committee and to be provided to the session facilitator for introductory purposes.
6. The submitter/main author provides permission for their biography and image to be published in the ILC 2026 Annual International Conference program and in other promotions including ILC Newsletters and ILC website.
7. The submitter/main author provides permission for their presentation to be livestreamed to a virtual audience and recorded for future use by the ILC, including online and in ILC presentations.
8. The submitter/main author approves use of any video or photography taken over the course of the conference, including social activities, to be present during their presentation and agree to these photos being used in other promotions including ILC Newsletters and on the internet.
9. The submitter/main author approves use of their abstract in a 'Book of Abstracts' which will be published and supplied to conference attendees.
