Fundamentals of Care

Leadership & Mentoring Program

**Start your 12-month
leadership and mentoring
program with
international experts in
fundamental care.**

The FoC Leadership & Mentoring Program will empower you to challenge and change how fundamentals of care is valued, prioritised, and actioned within your organisation.

Learning Outcomes

1

Participants will have an improved understanding of fundamental care and the Fundamentals of Care Framework.

Participants will have the tools and knowledge to advocate, and take action, for fundamental care.

2

3

Participants will gain confidence to speak out for fundamental care.

Participants will gain a better understanding of individual, organisational barriers & enablers to implementing change for fundamental care.

4

5

Participants will be better equipped to implement change for fundamental care in their workplace.

Participants will have a global perspective of strategies for implementing fundamental care.

6

Visit ilccare.org or email admin@ilccare.org for more info.
