

## ILC Members Payment Information

This payment information applies to the International Learning Collaborative (ILC) memberships. Payment of ILC Membership Fees will entitle the purchaser to ILC Membership and the benefits of ILC Membership as outlined on the [ILC Membership webpage](#).

## Membership Years

A membership year for ILC Membership commences on the date you join ILC and ends on the 12-month anniversary of joining (**Membership Year**).

Members will be provided with a number of reminder emails as the Membership Year end date approaches and up to three months after this Membership Year end date (if membership is not renewed earlier). Past members will receive annual reminders until the Member resigns from the membership or unsubscribes from communications.

## Membership Fees

You agree to pay the ILC the annual membership fee. The Annual Membership Fees are inclusive of GST for Australian Members.

## Payment of the Annual Membership Fees

### One-off payment:

- The one-off payment of the Annual Membership Fees will be payable in full up front upon applying for membership (or seeking renewal or reinstatement of membership for subsequent Membership Years (as the case may be)).
- If your membership is resigned during a Membership Year, the one-off payment of the Annual Membership Fees for that Membership Year will **not** be refunded.

## Resignation and termination

You may resign your membership at any time by written notice to the ILC. Written notice of resignation of your ILC membership should be emailed to the [ILC Executive Officer](#).

The ILC may terminate your membership if you do not pay your membership fees for more than 90 days after they are due for payment. You will receive up to six (6) reminders prior to this taking place.
